<u>Disclaimer</u>

<u>Purpose of the Link:</u>

We hereby would like to state or inform for all users/visitor of this site that out site include links to external websites, which is purely for educational & informational purposes just to enhance general skills & knowledge updates of students and does not intend to use them for any commercial purposes.

<u>No Endorsement:</u>

We make it clear that the inclusion of a link does not imply endorsement or recommendation of the linked content. For example: "The inclusion of a link does not imply endorsement or approval of its content."

<u>Responsibility:</u>

We emphasize that users are responsible for their own decision to click on the link and should be aware that they are leaving your website or platform. For example: "Users are advised to exercise their own judgment and discretion when clicking on external links." Further, we clarity that we have provided links of standard websites only, which may further contain links for subscription, sign-in/sign-up options, advertisements, acceptance to any condition etc. Accessing to such links, too, will be the sole responsibilities of the users and we shall not be responsible in any case.

<u>Content Changes:</u>

We acknowledge that the content on external websites may change, and we are not responsible for any updates or modifications. For example: "The linked content may be subject to change, and we do not guarantee its accuracy or currency."

<u>Security Warning:</u>

We remind users to be cautious about the security of external websites and to ensure they are visiting reputable sources. For example: "Users should be aware that external websites may have different privacy and security policies."

<u>No Liability:</u>

We also state that we are not liable for any damages or issues that may arise from accessing or using the linked content. For example: "We are not responsible for any loss, damage, or inconvenience caused by the use of the linked content."

<u>Feedback and Reporting:</u>

We would like to encourage users to provide feedback if they encounter issues with the linked content and provide a mechanism for reporting broken links or inappropriate content(s).
